Reply to Office Action dated 1/18/2008

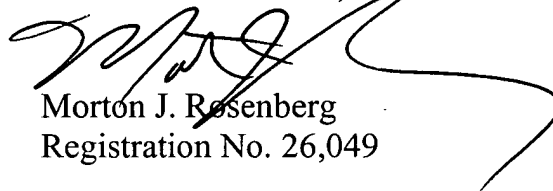

Remarks/Arguments

This case has been reviewed and analyzed in view of the Official Action dated 18 January 2008. In the Official Action, the Examiner has found three inventions, namely, Species I directed to Fig. 1; Species II directed to Fig. 2; and Species III directed to Fig. 3. The Examiner has required that Applicant choose one Species for further prosecution in this case.

By this Amendment and Response, Applicant elects Species I directed to Fig. 1. Applicant further believes that Claims 1-3 read on Species I. Claims 4-6 have been withdrawn.

It is now believed that the subject patent application has been placed in condition for examination and such action is respectfully requested.

Respectfully submitted,
